The Ingerman Group and the Delaware State Housing Authority Capitol Green Housing Corporation Dover, Delaware

We have audited the accompanying statements of financial position of Capitol Green Housing Corporation (a nonprofit organization) as of June 30, 2007 and 2006 and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Corporation's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Capitol Green Housing Corporation as of June 30, 2007 and 2006 and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated September 18, 2007 on our consideration of Capitol Green Housing Corporation's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying supplemental information on pages 12 - 19 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

The accompanying notes are an integral part of these financial statements.

NOTES TO FINANCIAL STATEMENTS

NOTE A ORGANIZATION

Capitol Green Housing Corporation was formed as a nonprofit, nonstock corporation for the ownership of the Capitol Green apartment project in Dover, Delaware. This is a 144-unit Section 8 project and is governed by a regulatory agreement dated February 22, 1977 between Capitol Green Housing Corporation, the Federal Housing Commissioner and the Delaware State Housing Authority. The project is regulated by HUD as to rent charges and operating methods. Under the regulatory agreement, no distributions are allowed by the Corporation to the incorporators, and no compensation is allowed to the officers and members of the board of directors of the project. The project's major program is its Section 8 assistance program. Delaware State Housing Authority, a State agency, controls the corporation.

The Corporation's income is exempt under the provisions of Section 115 of the Internal Revenue Code.

NOTE B <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u>

Basis of Accounting

The Corporation prepares its financial statements on the accrual basis of accounting.

Fixed Assets

The Corporation follows the practice of capitalizing all expenditures for fixed assets in excess of \$15,000. Expenditures for maintenance, repairs, minor renewals and betterments which do not improve or extend the usual life of the respective asset are expensed. Effective July 1, 2005 and going forward, all expenditures for fixed assets in excess of \$1,000 were capitalized. Fixed assets are recorded at cost. The estimated useful lives are as follows:

Equipment	5 years
Land improvements	15 years
Buildings	27 years

<u>Deferred Origination Fee</u>

The initial costs of obtaining the federally insured mortgage have been capitalized and are being amortized over a 40-year period using the straight-line method.

Advertising Expenses

Advertising costs are expensed as they are incurred.

NOTES TO FINANCIAL STATEMENTS

NOTE B SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

<u>Cash</u>

The Corporation's cash is considered to be cash on hand, demand deposits and short-term investments with original maturities of three months or less from the date of acquisition. Investments are reported at fair value.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE C CASH

At June 30, 2007, the reported amount of the Corporation's deposits was \$0 and the bank balance was \$799. At June 30, 2006, the reported amount of the Corporation's deposits was \$24,860 and the bank balance was \$25,475. All of the balance was covered by federal depository insurance.

NOTE D LONG-TERM DEBT

The mortgage note is payable to the Delaware State Housing Authority in monthly installments of \$25,307, including interest at 7.94 percent through February 1, 2018 and is collateralized by the rental property.

Principal payments on the mortgage are due as follows:

Year Ended June 30,	Amount_
2008	\$ 139,043
2009	150,494
2010	162,887
2011	171,549
2012	190,821
Thereafter	1,321,528
TOTAL	2,136,322
Less current portion	<u>139,043</u>
Long-term portion	<u>\$ 1,997,279</u>

NOTES TO FINANCIAL STATEMENTS

NOTE D LONG-TERM DEBT (cont'd)

On May 3, 2004, the Corporation entered into a note payable agreement with the Delaware State Housing Authority in the amount of \$561,435. This note is noninterest bearing and may be forgiven by the Delaware State Housing Authority upon full satisfaction of the mortgage payable noted above. This note is collateralized by the rental property.

NOTE E FIXED ASSETS

As of June 30, 2007 and 2006, fixed assets consisted of the following:

	2007	2006
Land Land improvements	\$ 224,500 242,879	\$ 224,500 242,879
Building	2,955,761	2,955,761 283,545
Equipment Accumulated	283,545	,
depreciation	(3,357,881)	(3,319,061)
TOTALS	<u>\$ 348,804</u>	<u>\$ 387,624</u>

NOTE F ESCROW DEPOSITS

In accordance with the regulatory agreement dated January 19, 1978 between Capitol Green Housing Corporation and the Delaware State Housing Authority (DSHA), certain escrow accounts must be maintained with DSHA. The escrows consisted of the following:

	June 30	
	2007	2006
Insurance	\$ -	\$ 17,465
Residual receipts	314,347	344,066
Replacement reserve	98,326	62,781
TOTAL	<u>\$ 412,673</u>	\$ 424,312

NOTE G RENTAL ASSISTANCE

The Corporation entered into a contract for Section 8 Housing Assistance Payments with the U.S. Department of Housing and Urban Development (HUD) on February 22, 1977. Under the terms of this contract, HUD will disburse to the Corporation rental assistance payments on behalf of qualified tenants. The initial term of the contract is for five years with an option of seven additional terms at five years each. Under the regulatory agreement, the Corporation may not increase rents charged to tenants without HUD approval.

NOTES TO FINANCIAL STATEMENTS

NOTE H RELATED PARTY TRANSACTIONS

Capitol Green Housing Corporation is closely associated with, and related to, the Delaware State Housing Authority.

During the period from July 1, 1995 to September 19, 2005 the Corporation was obligated under an agreement with the Delaware State Housing Authority for the management of its housing projects. Management fees of \$0 and \$14,666 were paid to DSHA for the years ended June 30, 2007 and 2006 respectively. Starting September 19, 2005, the Corporation was obligated under an agreement with The Ingerman Group for the management of its housing projects. Management fees of \$60,536 and \$57,805 were paid to The Ingerman Group for the years ended June 30, 2007 and 2006, respectively.

The staff of The Ingerman Group performs all management and accounting functions for Capitol Green Housing Corporation. The general ledger of Capitol Green Housing Corporation is maintained and prepared by The Ingerman Group, using a computer system that also performs these functions for other housing corporations.

NOTE | CONCENTRATION OF REVENUE

Approximately 61 and 64 percent of Capitol Green Housing Corporation's combined revenues for the years ended June 30, 2007 and 2006, respectively, is provided from the U.S. Department of Housing and Urban Development passed through the Delaware State Housing Authority.

NOTE J DEFERRED ORIGINATION FEE

As of June 30, 2007 and 2006, the unamortized deferred origination fees amounted to \$22,186 and \$24,282, respectively. Amortization expense for each of the years ended June 30, 2007 and 2006 amounted to \$2,096.

Future amortization expense is as follows:

Year Ending June 30

2008	\$ 2,096
2009	2,096
2010	2,096
2011	2,096
2012	2,096
Thereafter	 11,706

NOTES TO FINANCIAL STATEMENTS

NOTE K SUBSEQUENT EVENT

The Delaware State Housing Authority signed a contract of sale with The Ingerman Group in 2005 which has subsequently been extended, and settlement is expected to occur in fiscal year 2008. The Ingerman Group has been awarded low-income housing tax credits and their application for financing from the Delaware State Housing Authority's Housing Development Fund has been reviewed and approved by the Council on Housing.

September 18, 2007

The Ingerman Group and the Delaware State Housing Authority Capitol Green Housing Corporation Dover, Delaware

We have audited the financial statements of Capitol Green Housing Corporation as of and for the year ended June 30, 2007 and have issued our report thereon dated September 18, 2007.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Capitol Green Housing Corporation's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Capitol Green Housing Corporation's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Capitol Green Housing Corporation's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses. However, as discussed below, we identified certain deficiencies in internal control over financial reporting that we consider to be significant deficiencies.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Capitol Green Housing Corporation's ability to initiate, authorize, record, process, or report financial data reliably in accordance with the generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the Capitol Green Housing Corporation's financial statements that is more than inconsequential will not be prevented or detected by the Capitol Green Housing Corporation's internal control. We consider the deficiencies described in the accompanying schedule of findings and recommendations as items #07-1 and #07-2 to be significant deficiencies in internal control over financial reporting.

The Ingerman Group and the Delaware State Housing Authority Capitol Green Housing Corporation Dover, Delaware

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Capitol Green Housing Corporation's internal control.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in the internal control that might be significant deficiencies and, accordingly, would not necessarily disclose all significant deficiencies that are also considered to be material weaknesses. However, of the significant deficiencies described above, we consider item #07-1 to be a material weakness.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Capitol Green Housing Corporation's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion.

The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

The Capitol Green Housing Corporation's response to the findings identified in our audit are described in the accompanying schedule of findings and recommendations. We did not audit Capitol Green Housing Corporation's response, and accordingly, we express no opinion on it.

This report is intended solely for the information and use of management, the U.S. Department of Housing and Urban Development, Office of the Governor, Office of the Controller General, Office of the Attorney General, Office of the Budget, and Office of Auditor of Accounts; and is not intended to be and should not be used by anyone other than these specified parties.

The Ingerman Group and the Delaware State Housing Authority Capitol Green Housing Corporation Dover, Delaware

Compliance

We have audited the compliance of Capitol Green Housing Corporation with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are applicable to its major federal program for the year ended June 30, 2007. The Corporation's major federal program is identified in the accompanying summary of auditors' results section. Compliance with the requirements of laws, regulations, contracts and grants applicable to its major federal program is the responsibility of the Corporation's management. Our responsibility is to express an opinion on the Corporation's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, "Audits of States, Local Governments and Nonprofit Organizations." Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Corporation's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the Corporation's compliance with those requirements.

In our opinion, Capitol Green Housing Corporation complied, in all material respects, with the requirements referred to above that are applicable to its major federal program for the year ended June 30, 2007.

Internal Control Over Compliance

The management of Capitol Green Housing Corporation is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered Capitol Green Housing Corporation's internal control over compliance with the requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Capitol Green Housing Corporation's internal control over compliance.

The Ingerman Group and the Delaware State Housing Authority Capitol Green Housing Corporation Dover, Delaware

A control deficiency in Capitol Green Housing Corporation's internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect noncompliance with a type of compliance requirement of a federal program on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Capitol Green Housing Corporation's ability to administer a federal program such that there is more than a remote likelihood that noncompliance with a type of compliance requirement of a federal program that is more than inconsequential will not be prevented or detected by the Capitol Green Housing Corporation's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected by the Capitol Green Housing Corporation's internal control.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

Schedule of Expenditures of Federal Awards

We have audited the basic financial statements of Capitol Green Housing Corporation as of and for the year ended June 30, 2007 and have issued our report thereon dated September 18, 2007. Our audit was performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

This report is intended solely for the information and use of management, the U.S. Department of Housing and Urban Development, Office of the Governor, Office of the Controller General, Office of the Attorney General, Office of the Budget, and Office of Auditor of Accounts; and is not intended to be and should not be used by anyone other than these specified parties.

Barbacane, Thousand & Company

SUMMARY OF AUDITORS' RESULTS

SUMMARY OF AUDITORS' RESULTS

- 1. The auditors' report expresses an unqualified opinion on the financial statements of Capitol Green Housing Corporation.
- 2. There were two significant deficiencies relating to the audit of the financial statements reported in the "Report on Compliance and on Internal Control over Financial Reporting Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards." Item #07-1 was considered to be a material weakness.
- 3. There were no instances of noncompliance relating to the financial statements of Capitol Green Housing Corporation disclosed during the audit.
- 4. There were no material weaknesses relating to the audit of the major federal award program reported in the "Report on Compliance with Requirements Applicable to Each Major Program and on Internal Control over Compliance in Accordance with OMB Circular A-133."
- 5. The auditors' report on compliance for the major federal award program for Capitol Green Housing Corporation expresses an unqualified opinion.
- 6. The auditee is considered a low-risk auditee. A threshold of \$300,000 was used to distinguish between Type A and Type B programs as those terms are defined in OMB Circular A-133.
- 7. The program tested as a major program includes:

<u>Program Name</u>	CFDA#
Section 8 New Construction Program	14.182

SCHEDULE OF FINDINGS AND RECOMMENDATIONS

PRIOR YEAR FINDINGS AND RECOMMENDATIONS

TENANT SECURITY DEPOSITS

06-1 Finding

During our prior year audit, we noted that the security deposit liability exceeded the security deposit cash account by \$1,383. The security deposit cash account must at least equal the liability in order to assure that enough funds are set aside to satisfy this obligation. This condition was a result of management oversight.

Recommendation

We recommended that management monitor the security cash and liability accounts to assure that the Corporation has enough funds set aside to satisfy this obligation. We further recommend that management transfer \$1,383 into the security deposit cash account to cover this shortfall.

<u>Status</u>

During our current year audit, we noted that the security deposit cash account exceeded the security deposit liability. This finding is no longer applicable.

CURRENT YEAR FINDINGS AND RECOMMENDATIONS

FIXED ASSETS

07-1 Finding

During our current year audit, we noted that management does not maintain a depreciation schedule for fixed assets. The current year depreciation expense recorded by management was an estimate based on last year's actual expense. As a result, an audit adjustment considered to be material to the financial statements had to be posted in order to accurately reflect depreciation expense in the financial statements.

Management should maintain a depreciation schedule for its fixed assets to assure that depreciation expense is accurately presented in its financial statements. This condition was a result of management oversight.

<u>Recommendation</u>

We recommended that management maintain a depreciation schedule for its fixed assets.

SCHEDULE OF FINDINGS AND RECOMMENDATIONS (CONT'D)

CURRENT YEAR FINDINGS AND RECOMMENDATIONS

ESCROWS

07-2 Finding

During our current year audit, we noted that escrow balances reflected in the financial statements did not agree to the amounts confirmed by the Delaware State Housing Authority. As a result, several audit adjustments had to be posted to the financial statements in order to accurately present the escrow balances in the financial statements. This condition was a result of management oversight.

Recommendation

We recommended that management reconcile its escrow balances to the amounts reported by the Delaware State Housing Authority on a monthly basis.
